COOKIES POLICY

FOR PRESALE.ZADDYCOIN.COM

WHAT ARE COOKIES

As with nearly all professional websites, this site uses cookies, which are small files downloaded to your computer, to enhance your experience. This page describes what information they collect, how we use it, and why we sometimes need to store these cookies. We will also explain how you can prevent these cookies from being stored, though this may downgrade or 'break' certain elements of the site's functionality.

HOW WE USE COOKIES

We use cookies for various reasons detailed below. Unfortunately, in most cases, there are no industry-standard options for disabling cookies without completely disabling the functionality and features they add to this site. It is recommended to leave on all cookies if you are not sure whether you need them or not, in case they are used to provide a service that you use.

DISABLING COOKIES

You can prevent the setting of cookies by adjusting the settings on your browser (see your browser Help for instructions). Be aware that disabling cookies will affect the functionality of this and many other websites that you visit. Disabling cookies will usually result in also disabling certain functionality and features of this site. Therefore, it is recommended that you do not disable cookies.

COOKIES WE SET

- **Email Newsletters Related Cookies.** This site offers newsletter or email subscription services, and cookies may be used to remember if you are already registered and whether to show certain notifications that might only be valid to subscribed/unsubscribed users.
- **Forms Related Cookies.** When you submit data through a form, such as those found on contact pages or comment forms, cookies may be set to remember your user details for future correspondence.
- **Site Preferences Cookies.** To provide you with a great experience on this site, we offer the functionality to set your preferences for how the site runs when you use it. To remember your preferences, we need to set cookies so that this information can be recalled whenever you interact with a page affected by your preferences.

THIRD-PARTY COOKIES

In some special cases, we also use cookies provided by trusted third parties. The following section details which third-party cookies you might encounter through this site.

- **Google Analytics.** This site uses Google Analytics, one of the most widespread and trusted analytics solutions on the web, to help us understand how you use the site and ways that we can improve your experience. These cookies may track things such as how long you spend on the site and the pages that you visit so we can continue to produce engaging content. For more information on Google Analytics cookies, see the official Google Analytics page.

- **Third-Party Analytics.** Third-party analytics are used to track and measure usage of this site so that we can continue to produce engaging content. These cookies may track things such as how long you spend on the site or pages you visit, which helps us to understand how we can improve the site for you.

- **Testing New Features.** From time to time, we test new features and make subtle changes to the way the site is delivered. When we are testing new features, these cookies may be used to ensure that you receive a consistent experience while on the site, ensuring we understand which optimizations our users appreciate the most.

- **Purchases Statistics.** As we sell products (such as tokens during a presale), it's important for us to understand statistics about how many of the visitors to our site actually make a purchase. These cookies will track this kind of data, helping us make accurate business predictions that allow us to monitor our advertising and product costs to ensure the best possible price.

MORE INFORMATION

We hope this has clarified things for you. As previously mentioned, if there is something that you aren't sure whether you need or not, it's usually safer to leave cookies enabled in case it interacts with one of the features you use on our site.
